

Department # 22 Major Contests

Tractor and Truck Pull

Safety Regulations and Rules:

Eligibility of Tractor

1. Contest open to farm tractors with rubber tires. No dual tires, tire studs or chains permitted.
2. Each tractor may be entered in more than one class, but only once in each class.
3. Minimum drawbar length 18 inches from the center or real axle to point of hook. Drawbar to be stationary in all directions; 20 inches from top of hitching device parallel to the ground.
4. Drawbars must be equipped with a hitching device of not more than one inch in thickness, and must have a three inch diameter opening. The pulling point may not be more than 1 1/2 inches from the back of the hitching device.
5. No pressurized tanks allowed except LP gas. No oxygen allowed.
6. All engine radiators must be properly shrouded.
7. All exhausts must discharge upward above the highest point of the tractor and be properly attached. Rain caps may not be used.
8. No portion of the tractor shall interfere with the sled or sled hitch during a pull.
9. All weights must be safely secured to the tractor.
10. Stock block tractors are tractors having a standard block and crankcase for make and model being entered. (Chassis must conform with the engine being entered).
11. Out of the field class will be naturally aspirated stock block tractor with no visual engine modifications.
12. If the committee doubts legality of stock entry or upon the request of another contestant in that class, contestant must verify 150 units of tractor have been manufactured (notarized statements from the manufacturer), furnish part numbers and prove to the committee that they have a legal entry.
13. Stock Tractor: no weight frame or weight may extend 24 inches beyond front of tractor.
14. All stock tractors must be equipped with a hood and grill.
15. All tractors must be equipped with a minimum of one 2 3/4 pound dry chemical fire extinguisher convenient to the operator.
16. All pulling vehicles will comply will all the rules and regulations set forth by the CVTPA.

Truck and Tractor Pulls - General Rules

1. All classes will be governed by the rules and regulations set forth by the Cumberland Valley Tractor Pullers Association.
2. Contest to be governed by track officials and all decisions will be final.
3. Judges have the right to stop and disqualify any competing vehicle if it is not being operated in a safe manner.
4. Entry fees are as follows: \$10.00 per class entered
