

Department # 22 Major Contests

Tractor and Truck Pull

Safety Regulations and Rules:

Eligibility of Tractor

CVTPA 4 MPH Farm Stock Rules

1. Contest open to farm tractors with rubber tires. No dual tires, tire studs, for chains allowed.
2. No cut tires allowed. Tire size for 5500 lb. and smaller tractors is 15x5x38 or 16x9x34.
3. All tractors must be equipped with a hood and grill. Engine radiators must be properly shrouded. All exhaust must be properly attached and discharge upward above the highest point of the tractor.
4. No pressurized tanks except LP gas. No oxygen allowed.
5. All weights must be safely secured to the tractor on hanging supports. No weight frame or weight may extend more than 24 inches beyond front of tractor.
6. Tractor components must be OEM or replacement, as produced for that manufacturer and model. The engine must be naturally aspirated, no superchargers or turbochargers allowed. 4500 lb. and 5500 lb. tractors must weigh within 500 lbs. of factory shipping weight. 7500 lb. and 9500 lb. tractors must weigh within 1000 lbs. of factory shipping weight.
7. Drawbars must be equipped with a hitching device not more than 1 inch thick and have a 3 inch diameter opening. The pulling point may not be more than 1-1/2 inches from the back of the hitching device.
8. Minimum drawbar length of 24 inches from center of rear axle to point of hook. Drawbar must be stationary in all directions and 20 inches from top of hitching device, parallel to the ground. No hydraulic drawbars allowed, fast hitches must be locked.
9. All 7500 lb. tractors and larger classes must have fenders.
10. A tractor entered in the 4 mph class cannot be entered in the 8 mph class. Each tractor may be entered in more than one weight class, but only once in each weight class.
11. Speed limit for all classes will be controlled by the use of a horn and light. Driver has the option to have the light placed on the hood of the tractor. First horn/light will be a warning. The driver has 3 seconds to reduce speed. Second horn/light the tractor is disqualified.
12. No portion of the tractor shall interfere with the sled or sled hitch during the pull.
13. Questions concerning a pullers adherence to the above rules must be brought to the track officials before the beginning of the pull.

CVTPA 6 MPH Enhanced Farm Stock Rules

1. Contest open to farm tractors with rubber tires. No dual tires, tire studs, for chains allowed.
2. Cut tires allowed. Maximum tire size is 18.4x38.
3. All tractors must be equipped with a hood and grill. Engine radiators must be properly shrouded. All exhaust must be properly attached and discharge upward above the highest point of the tractor.
4. No pressurized tanks except LP gas. No oxygen allowed.
5. All weights must be safely secured to the tractor on hanging supports. No weight frame or weight may extend more than 24 inches beyond front of tractor.
6. Tractor components must be from the same manufacturer, and the engine must have been available in a farm stock tractor. No superchargers or turbochargers allowed.

7. Drawbars must be equipped with a hitching device not more than 1 inch thick and have a 3 inch diameter opening. The pulling point may not be more than 1-1/2 inches from the back of the hitching device.
8. Minimum drawbar length of 20 inches from center of rear axle to point of hook. Drawbar must be stationary in all directions and 20 inches from top of hitching device, parallel to the ground. No hydraulic drawbars allowed, fast hitches must be locked.
9. All 7500 lb. tractors and larger classes must have fenders.
10. A tractor entered in the 8 mph class cannot be entered in the 4 mph class. Each tractor may be entered in more than one weight class, but only once in each weight class.
11. Speed limit for all classes will be controlled by the use of a horn and light. Driver has the option to have the light placed on the hood of the tractor. First horn/light will be a warning. The driver has 3 seconds to reduce speed. Second horn/light the tractor is disqualified.
12. No portion of the tractor shall interfere with the sled or sled hitch during the pull.
13. Questions concerning a pullers adherence to the above rules must be brought to the track officials before the beginning of the pull.

Truck and Tractor Pulls - General Rules

1. All classes will be governed by the rules and regulations set forth by the Cumberland Valley Tractor Pullers Association.
2. Contest to be governed by track officials and all decisions will be final.
