

Department # 17 Floral Exhibits

1. Only one entry per person in each class division.
2. The use of or displaying of artificial flowers is prohibited.
3. Container grown plants **will not be accepted** unless they have been growing in containers for at least two months.
4. Management will not undertake to return exhibits or be responsible for the return of exhibits. Baskets or containers must be supplied by the exhibitor and will be given every possible care but the management assumes no responsibility for any loss or damage.
5. Flowers or plants entered for competition must be more than ordinary standard and quality to be entitled to an award.
6. All entries must be grown by the exhibitor except in arrangement classes.
7. Fresh plant material may never be treated in any manner.

Flowering House Plants and Foliage House Plants

1. The class includes all that would qualify as a house plant. Only one species per container except in collection class, containers not to exceed 10" in width.
2. Plants which have been judged in former years will not be considered for competition.

Specimen Flowers

1. Cut specimens must conform to the number of blooms, spikes, or stems as specified in each class.
2. Cut specimens must not have any foliage below the water line.

Note: Uniformity of height, color, or size is an important factor in evaluating entries.

Flowers in each entry must be of one color and variety unless otherwise stated.
